www.audiomarketing.ca

**Play the right music,
with minimal effort.**

Find the perfect mix of music for your hotel and guests with over 60 music channels to choose from. All our channels are updated weekly, so your music is fresh, non-repeating, and it's all hands off for you.

Schedule different channels throughout the day to match the changing tempo of your business and mix up to 4 channels in 1 stream for greater variety.

Add overhead messages to boost sales

Control the mood and tempo and play music based on energy levels, beats, genres and decades.
